Regulations on Smoking in Freemasons Hall

— Inserted by request —

The Board of Managers at a Special Meeting called for the purpose, took drastic action regarding smoking in the building and adopted the following regulations: No smoking on the Lodge Room floor, either in the lodge rooms, tylers room, preparation rooms, ante-rooms, in other words, no smoking above the second floor. Lighted smoking materials must not be carried above the second floor. Smoking will be allowed on the Parlor floor and hall ways as usual, and in both Banquet Halls, but no smoking materials, lighted, can be carried from floor to floor, nor carried down from the banquet halls. All of the above applies to meetings, special meetings, as well as rehearsals.

The Board asks the co-operation of all, officers and members of the various bodies, and hopes it will not be necessary to have a uniformed fireman at meetings to control the situation and see that the fire laws are not violated. This would be very embarrassing.

We also call the attention of the members to facts regarding fire escapes. All exits are plainly marked and show red lights when needed. Many are not aware that an enclosed stairway leading from all floors protected by automatic fire doors, and lighted when considered necessary, is part of safety equipment, leading from each ante-room, and on the upper floor from the kitchen.

INSPECTION TUESDAY, MAY 20th
RESERVE THIS DATE

Easter Sunrise Service will be held in Arlington National Cemetery at 7:30 A. M. April 6th and is usually broadcast by a local station. The Grand Encampent invites Sir Knights and ladies to be present.
